

**3rd meeting of the Technical Working Group (TWG) on Disaster-related Statistics
16 December 2020, 2:00 – 3:30 PM (Bangkok time)**

Decision:

1. The meeting was apprised of the preliminary findings from the country survey on the state of production, dissemination, and use of disaster-related statistics to be used for a regional situation analysis. To address the low response rate and other information gaps, it was decided that the secretariat would solicit additional information through the re-circulation of the questionnaire and structured phone interviews.

Next steps

1. The 4th meeting of the TWG will be held on Wednesday, 27 January 2021, 1:00 – 3:00 PM, Bangkok time.
2. The Statistical Institute for Asia and the Pacific (SIAP) will provide a summary and reflections on the feedback received on the draft e-learning course on disaster-related statistics.
