

Upcoming UNESCAP Stats Café: Indirect demographic methods for measuring completeness and coverage for low capacity countries

Monday, 8 March 2021 from 12:00-13:30 (GMT+7) ; verify your time [here](#).

Please register for the event [here](#).

>>>>See other Asia-Pacific Stats Café Series

The poster features a green background with a yellow vertical bar on the left and a horizontal bar across the middle. At the top left, a logo shows three stylized figures in a circle with the text 'Get every one in the picture'. The top right contains the text 'INEQUALITIES IN CRVS: LET'S REALLY GET EVERY ONE IN THE PICTURE!' in white and orange, followed by the date and time 'Mon, 8 Mar 2021, 12:00-13:30 (GMT+7)'. The center features a photograph of a large crowd of people crossing a street. To the right of the photo, the text 'Indirect demographic methods for measuring completeness and coverage for low capacity countries' is written in yellow and white. The bottom left shows the UNESCAP logo with the text 'UNITED NATIONS ESCAP Economic and Social Commission for Asia and the Pacific'. The bottom right features the 'Stats Café' logo with a coffee cup icon and the text 'Good coffee makes your day, but good data helps you decide.' next to a laptop icon. A decorative border of colored squares runs along the bottom edge.

Get every one in the picture

INEQUALITIES IN CRVS:
LET'S REALLY GET EVERY ONE IN THE PICTURE!
