

DI-CoP cherished achievements of one-year of collaboration

On 19 April 2021, a Stats Café hosted celebration of the 1st anniversary of the launch of Data Integration Community of Practice. There, some of the relevant achievements were showcased and the **Asia-Pacific Guidelines to Data Integration for Official Statistics** was launched.

If you missed the Stats Café, no worries! Documents are available [here](#) and you can watch the video at <https://www.unescap.org/events/2021/asia-pacific-stats-cafe-series-showcase-asia-pacific-achievements-data-integration>.
