## 9th Meeting of Technical Working Group (TWG) on Disasterrelated Statistics

The TWG held its ninth virtual meeting on Wednesday, 30 June 2021, 14:00 - 15:30 hours, Bangkok time.

- Report of the 9th meeting of the TWG
- List of Participant
- Meeting Record
- Event Webpage

## **Objectives:**

The objectives of the meeting are:

- to present the Country Case Study: Indonesia as a country model on the implementation of the Disaster-Related Framework (DRSF) and a Plan for a Regional Symposium as the 10th Meeting of the TWG in July.
- to present the highlights of the First Expert Forum for Producers and Users of Disaster-related Statistics, held last June 7, 8 and 10, 2021 led by UNECE, and
- 3. to share good country practices on the production of disasterrelated statistics.

## **Presentations:**

| Topics                                                                                                                                               | Documents                                                                |
