

3rd UN PET Lab Open House

The third Open House for UN PET Lab will be organized virtually on **7 July 2022 at 09.30-11.00 am (New York time)**.

This webinar will focus on the **legal aspects of sharing data and the use of PETs**. The UN PET Lab is working under the umbrella of the United Nations Statistical Commission and its focus is therefore on supporting national statistical systems. For the third event, Mr. Andrew Trask of [Openmined.org](https://openmined.org) will update us on the UN PET Lab and Mr. Mayank Varia of Boston University will present the work of the Legal sub-group of the Task Team on Privacy Enhancing Technologies. Furthermore, Mr. Matjaz Jug and Ms. Maria Ohoioeloen, from Statistics Netherlands, and Ms. Stephanie Straus from Georgetown University will present relevant examples.

More information and registration, scan the code above or click on this link <https://unstats.un.org/bigdata/task-teams/privacy/un-pet-lab/open-house/>

A promotional banner for the UN PET Lab Open House. The background is dark blue with a grid of padlock icons in various colors (blue, red, yellow). The main title 'UN PET Lab Open House' is in large white letters on a blue rectangular background. Below it, a teal banner contains the subtitle 'Legal aspects of sharing data and use of PETs'. The date and time 'Thursday, 7 July 2022 // 09:30 - 11:00AM (EDT)' are displayed in white. To the left, the text 'More information and free registration:' is followed by a QR code. On the right, there is a logo for 'United Nations BigData' featuring a cloud with colorful dots, a Twitter handle '@UNBigData', and the URL 'https://unstats.un.org/bigdata/'.
